ORDER

Before this Court is the Report and Recommendation of United States Magistrate John T. Maughmer regarding defendant's Motion for Determination of the Mental Competency of the Defendant to Stand Trial (Doc. #31). That motion was granted and a psychological or psychiatric report was received from Dr. Karen Milliner which concluded that the defendant is competent to understand the nature and consequence of the proceedings against him and to assist properly in his defense. The Report and Recommendation of the Magistrate in this case is both thorough and well-reasoned. This Court agrees with this recommendation and sees no reason to comment further. Accordingly, it is hereby

ORDERED that the Court finds that defendant Mosely is competent to understand the nature and consequence of the proceedings against him and to assist properly in his defense.
